- [Analyst Says Rising Fuel Prices in Cambodia Unfair as Global Oil Costs Fall](#) (2026-03-12 03:56)

A regional geopolitical observer has criticised the continued rise in fuel prices in Cambodia, saying the increases are unjustified at a time when global oil prices are falling. Seng Vanly, who monitors geopolitical developments in the Asia Pacific region, said the situation places an unfair burden on Cambodian citizens. Writing on Facebook on Thursday, Seng [...]

- [Observer Urges Cambodia to Take Three Key Measures to Counter Thai Encroachment](#) (2026-03-12 03:48)

A Cambodian political observer is urging the government to adopt three major measures simultaneously to respond to what he describes as Thailand's encroachment along the border. Men Nat, president of the Cambodia Watchdog Council, said Phnom Penh should act on three fronts. These include defending Cambodia's territorial integrity on the ground, intensifying diplomatic pressure at [...]

- [Cambodia Rejects Thai Claim That Border Talks Were Delayed Until After New Year](#) (2026-03-12 03:41)

Cambodia has firmly rejected comments by Thailand's foreign minister suggesting that Phnom Penh had postponed negotiations over the two countries' border dispute until after the traditional New Year holiday. In a statement released on Thursday, Pen Bona, head of the Royal Government Spokesperson Unit, said Cambodian Prime Minister Hun Manet had never announced or posted [...]

- [Analyst Urges Cambodia to Lower Fuel Prices in Line With Falling Global Oil Costs](#) (2026-03-12 03:14)

A geopolitical analyst has called on Cambodia's Ministry of Commerce to reconsider the country's fuel pricing policy as global oil prices continue to fall sharply. The analyst, Chey Tech, who studies geopolitics and socio-economic development, said the ministry should review the next round of fuel price adjustments scheduled for March 11 so that domestic prices [...]

- [Cambodian Polytechnic Director Accused of Four Million Dollar Corruption Scheme](#) (2026-03-12 03:09)

Staff at the Techo Sen Regional Polytechnic Institute in Battambang have called on Labour and Vocational Training Minister Heng Sour to remove the institute's director, Chhim Thoeun, over allegations of corruption involving more than four million dollars. Employees, civil servants and teachers at the institute told The Cambodia Daily on condition of anonymity that Chhim [...]

- [Analyst Says Cambodia's New Fuel Pricing Mechanism Burdens Citizens and Favors Political Elites](#) (2026-03-09 14:00)

A regional geopolitical analyst has criticised Cambodia's new fuel pricing mechanism, saying it places additional pressure on ordinary households while opening opportunities for politically connected businesses to profit. Seng Vanly, a researcher focusing on Asia Pacific geopolitics, said the government's decision to adjust fuel prices every three days reflects what he described as a retreat [...]

- [Cambodia Tells United Nations Thailand Has Violated International Law in Border Dispute](#) (2026-03-09 13:58)

Cambodia's top human rights body has accused Thailand of invading Cambodian territory and committing serious violations of international law, including human rights and humanitarian law. The Cambodia Human Rights Committee presented the allegations during the 61st session of the United Nations Human Rights Council in Geneva, Switzerland, according to a statement released on Monday. The [...]

- [Watchdog Raises Concerns Over Living Conditions of Displaced Cambodian Families in Temporary Shelters](#) (2026-03-09 13:55)

A Cambodian civil society watchdog has expressed concern about the living conditions of more than 200 displaced families who have been relocated by the government to temporary shelters in a remote area. Men Nath, president of the Cambodia Watchdog Council, said the site selected for the settlement appears unsuitable for long-term living, describing it as [...]
